Ministry Purpose: Assist Parishioners getting to church or other destinations when they are unable to drive.

Activities: Chris Smith or Henny Jocelyn provides the names of homebound people needing transportation to church, the grocery store, or medical appointments. Ann calls from her list of volunteers to find someone who can drive the homebound person. She also makes use of Interfaith Community Services for providing special support services and for helping line up means of transportation. The volunteers transport Parishioners to Braille Institute events as needed.

Number of Participants: Volunteers are drawn from a list as the needs come in.

Challenges: Sometimes it's difficult finding a driver to match the schedule of the person needing transportation.
