Ministry Purpose: Provides support to a home for young men (and women) with AIDS. Fraternity House, which is on the Escondido/San Marcos border, can house up to 8 men. Michaelle House in Bonsall can house up to 12 men and women.

Activities: This was a very popular ministry for Fr. Ken Kieffer. With his support, Parishioners raised funds through a walk-a-thon, conducted newspaper drives, collected canned goods, and delivered meals. A small group still does a fund-raising walk each fall.

Parishioners have been recruited to donate furniture, supplies, and services to the organization. More's Workers are studying various opportunities to help with renovation and maintenance projects.

Challenges: This ministry is being reactivated with a new chairperson after a few years of low-key support. Efforts have been made to recruit a new team of volunteers.
