Backup to Leader: Co-chairs

Ministry Purpose: Conduct a prayer request phone chain for urgent requests. This differs from the prayer requests that are in the parish bulletin, although chain members pray for the people on the bulletin list.

Activities: Some people don't want their prayer requests to be in the Parish bulletin, but they are OK with having the request on the phone chain. Calls for urgent prayer requests come to Pat or Norma, including calls on the weekends. They share calling responsibility for 7 chains. Each chain with 6 to 8 names is called by the chain lead person. There is no attempt to remove names from the prayer list after a certain length of time, although members often learn of the death of someone on the list.

Number of Participants: About 50 Parishioners
