

Are you looking for a way to learn more about the doctrines, practices, and traditions of the Catholic Church, so that you will feel more confident about discussing your faith and answering questions about Catholicism from family and friends?

Would you like to have an opportunity to share faith with other parishioners, learning what their faith means to them and how it helps them cope with life's challenges?

*Re-discover Catholicism
is the answer!*

The true spark of the class comes from the open discussions and dialogues among the attendees. The discussion format of the class allows all the participants the ability to discuss their faith freely without worrying about saying the wrong thing.
