A cell phone directory of all St. Thomas More participants, including chaperones, will be distributed on the 25th. Carry that, your cell phone, and your insurance card at all times.

Group T-shirts are worn on Saturday, July 26. They will be distributed at the conference.

Been to Steubenville before? It is expected that the older experienced Steubenville participants look out for the new attendees, particularly during post evening-event activities. We are counting on you.

At the conference, STAY TOGETHER. Be cooperative and stay on time for events.

Steubenville is exciting.

Is inspirational.

Is life-changing.

We are praying that you are open to what God has in store for you.

Peace,
Gale Gibbons
